ABOUT THE FALL GOLF LEAGUE

**"register early -
limited openings"**

ABOUT THE CLUB

"a golfers paradise"

If you love golf, then you need to visit the Back Alley Indoor Golf and Sports Club, HD Golf Simulators. The simulators have been well received by locals and tourists alike and have even kept the most avid golfers in check.

This is a great place to come and have some fun, whether you are a serious golfer or just looking for some entertainment. The simulators are very realistic, and it's a lot of fun playing any of the 40+ top international courses. The simulators are a great way to improve your skills such as practicing a new stance or grip.

Don't worry about the weather (rain, heat, or snow), the time of day (open from 8 am - 11 pm), or scheduling (an average golfer can play 18 holes in 1 hour, for a foursome we suggest 4 hours). With 3 simulators to choose from, we can cater up to 12 golfers at one time. and if you're not golfing there are 2 waiting areas and a bar for your comfort.

Bring your own golf clubs or rent a set, we use real golf balls so you get a REAL experience.

PLUS - OUR GUARANTEE
"you won't lose a single ball!"
